

# COPENHAGEN SCIENCE CITY

Sharing knowledge

10 minutes to Frederiksberg Science City, Copenhagen Business School and University of Copenhagen (Frederiksberg Campus)

20 minutes to Lyngby-Taarbæk City of Knowledge, and the Technical University of Denmark

## FACTS

- 350 innovative knowledge based companies
- 20,000 researchers and highly educated employees
- 20,000 students
- 160,000 m<sup>2</sup> office space

## UNIVERSITETSSPARKEN

Research and innovation in fields such as pharmacology, nano-science, quantum computing, chemistry, physics and biology. Entrepreneurs and businesses are represented in SCIENCE Innovation Hub, the GTS Institute Bioneer: FARMA and Copenhagen Bio Science Park which houses biotech and life science companies.

## HARALDSGADE DISTRICT

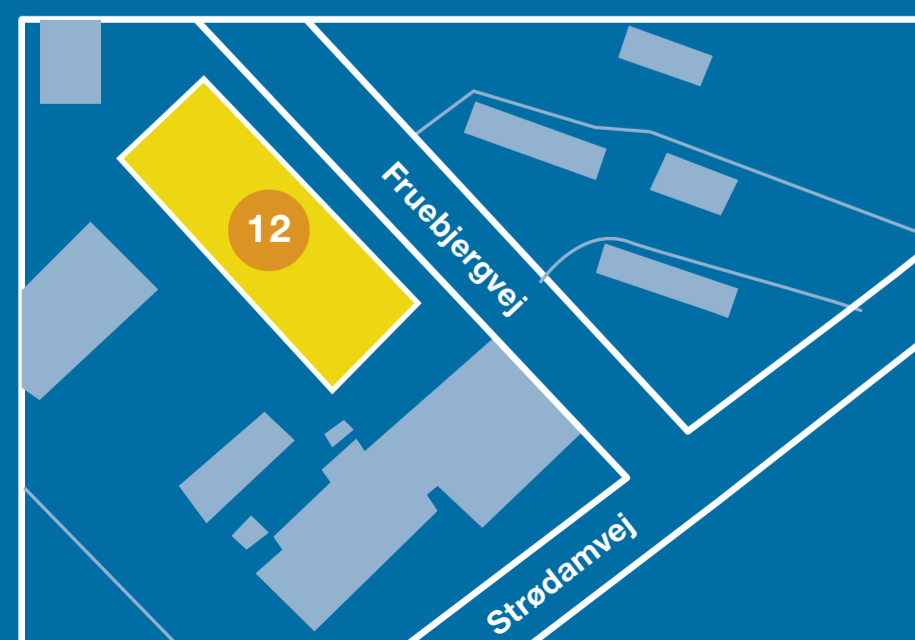

Home to the Metropolitan University College, Several commercial tenancies and to the start-up and accelerator environments of DARE2mansion and SingularityU Denmark. An ideal location for innovative businesses due to the proximity to the innovation ecosystem, the university, university hospital and the university college.

## DE GAMLES BY

Sund Vækst Huset is home to a cross-sectorial partnership of Copenhagen Health Innovation, the research group CopenRehab, the City of Copenhagen's Center for Welfare Technology and the UCPH SUND Hub, where entrepreneurial students develop novel health solutions.
