

COPENHAGEN SCIENCE CITY

Sharing knowledge

Symbion
Office community for innovative start-ups, entrepreneurs and growth companies. Home to DigitalLead, Denmark's cluster organization for digital technologies.

Haraldsgade district
Home of University College Copenhagen, several commercial tenancies and the office hotel TitanHus/Woods Office

De Gamles By
Sund Vækst Huset is home to the degree programme BioMedicalDesign Novo Nordisk Fellowship Programme and the City of Copenhagen's Center for Innovation

Panum
Research and education in health and medical sciences. Novo Nordisk Foundation centres for Protein Research, Basic Metabolic Research and Stem Cell Biology. Coordination of the University's partnership in the European knowledge innovation community, EIT Health and cross-institutional collaboration through Copenhagen Health Science Partners

Universitetsparken
Entrepreneurship and innovation in Copenhagen Bio Science Park, BioInnovation Institute, Danish Life Science Cluster, Bioneer:FARMA and student start-up communities. Research in fields such as pharmacology, nanoscience, quantum computing, chemistry, physics and biology

Rigshospitalet
Denmark's most specialised university hospital. Educates health professionals, develops new treatment methods, and collaborates with industry on testing solutions and products for pharma, health tech and healthcare
